

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

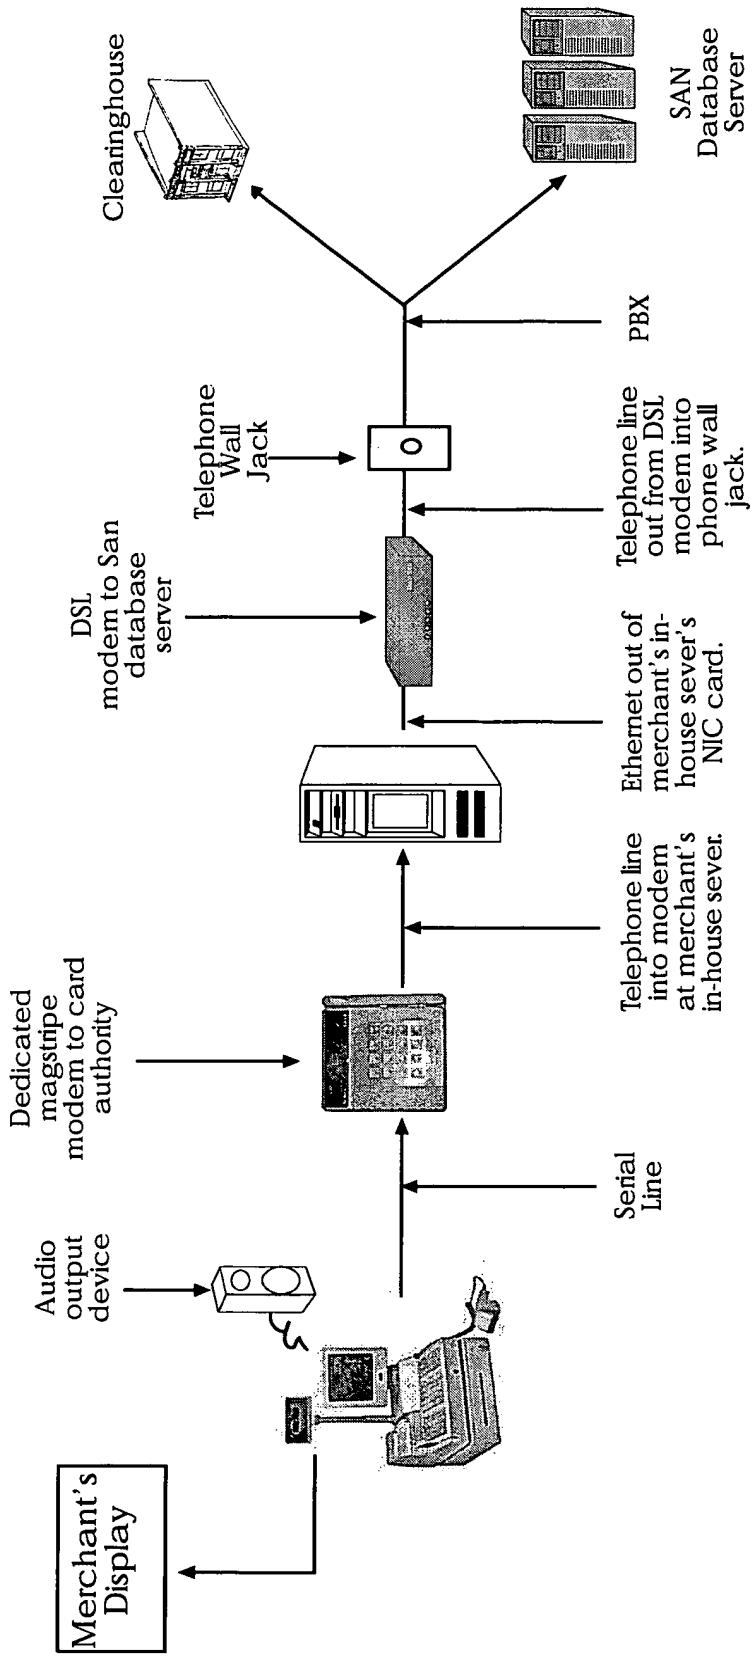

FIG. 1

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

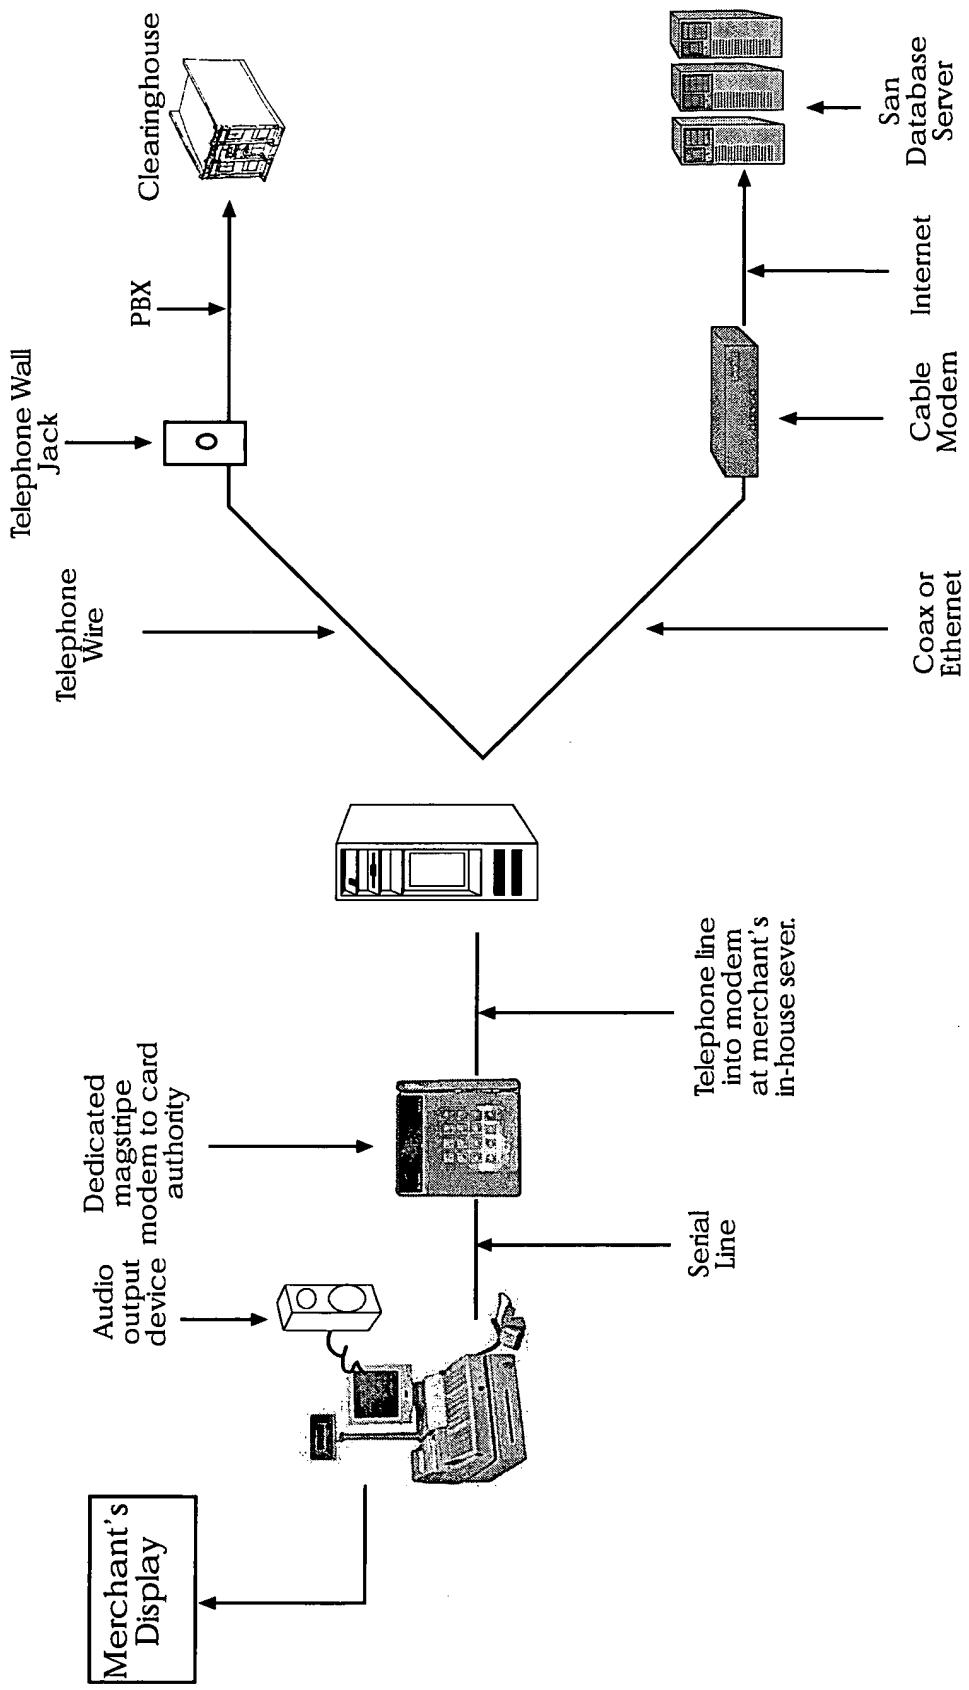

FIG. 2

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

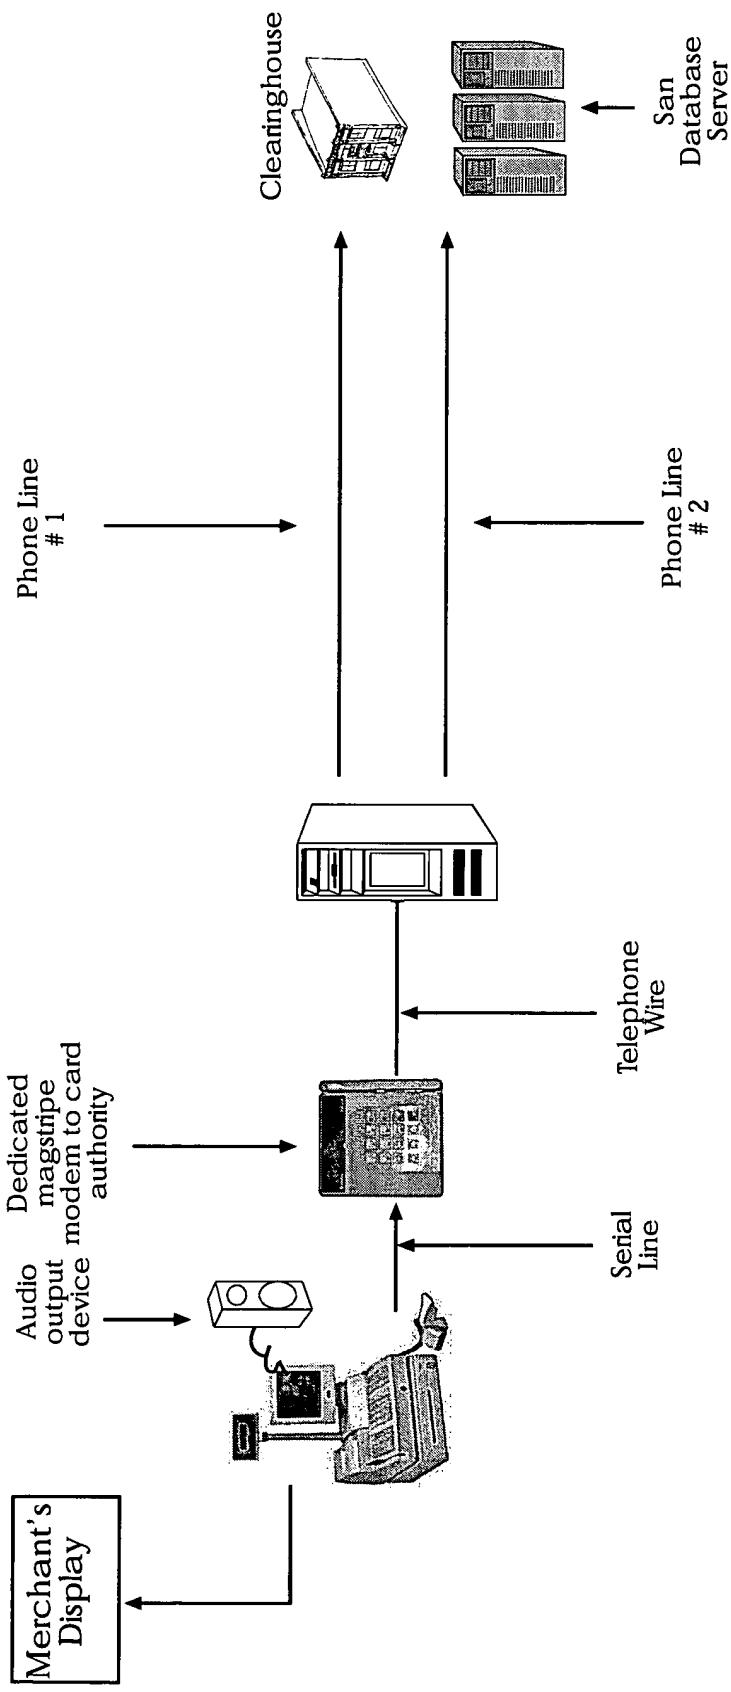

FIG. 3

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

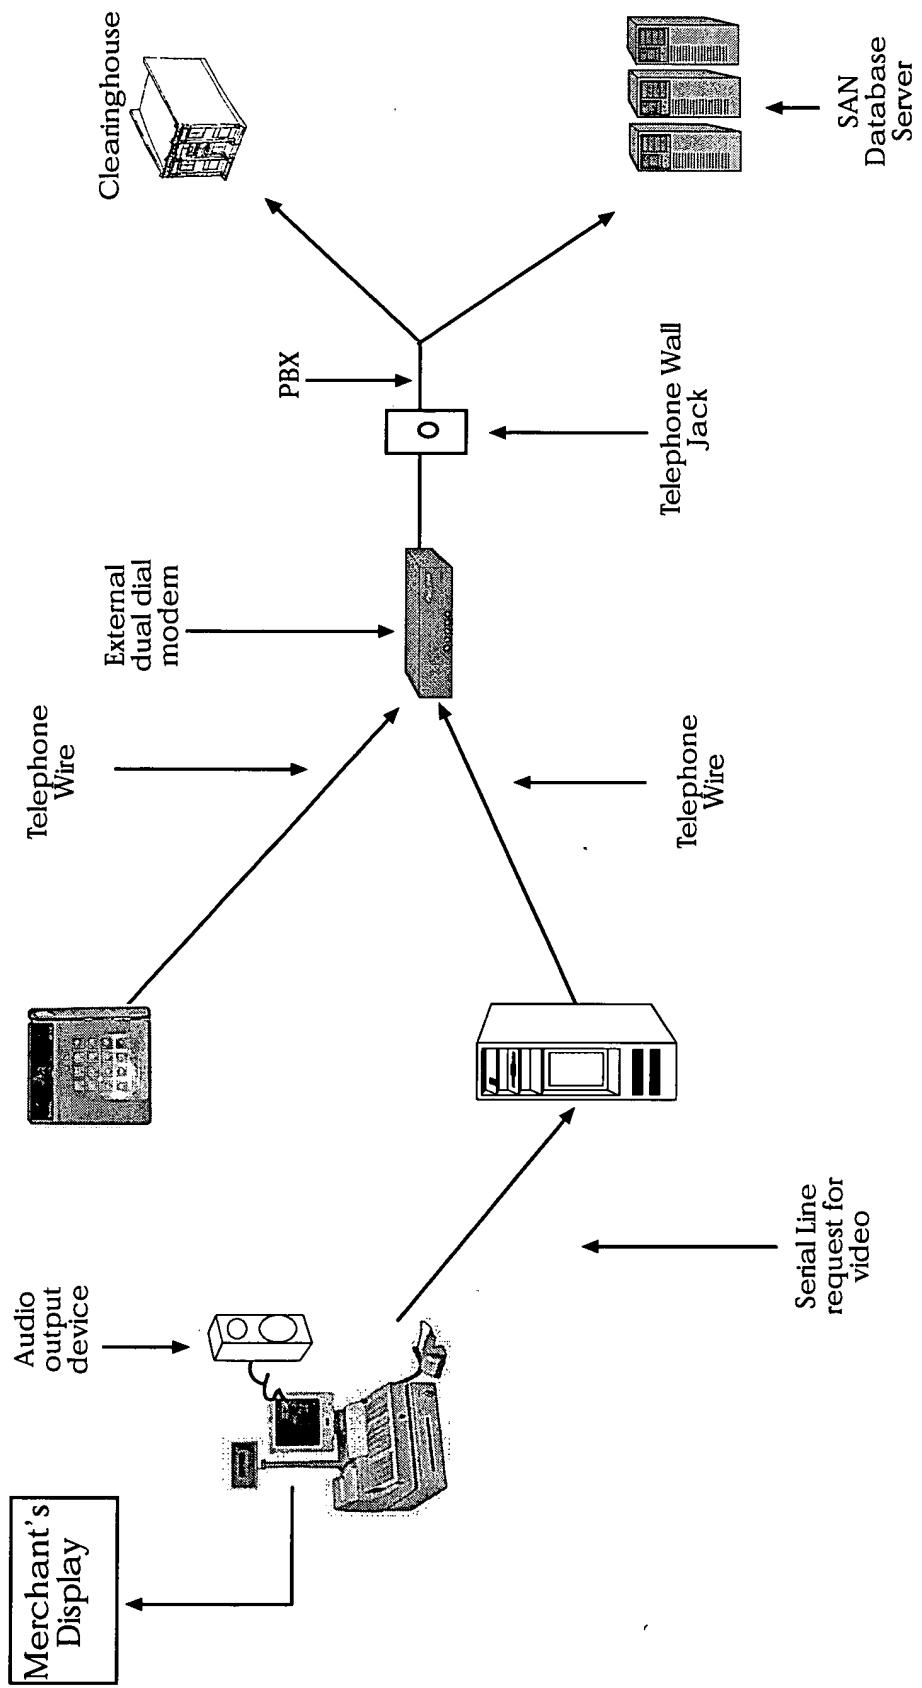

FIG. 4

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

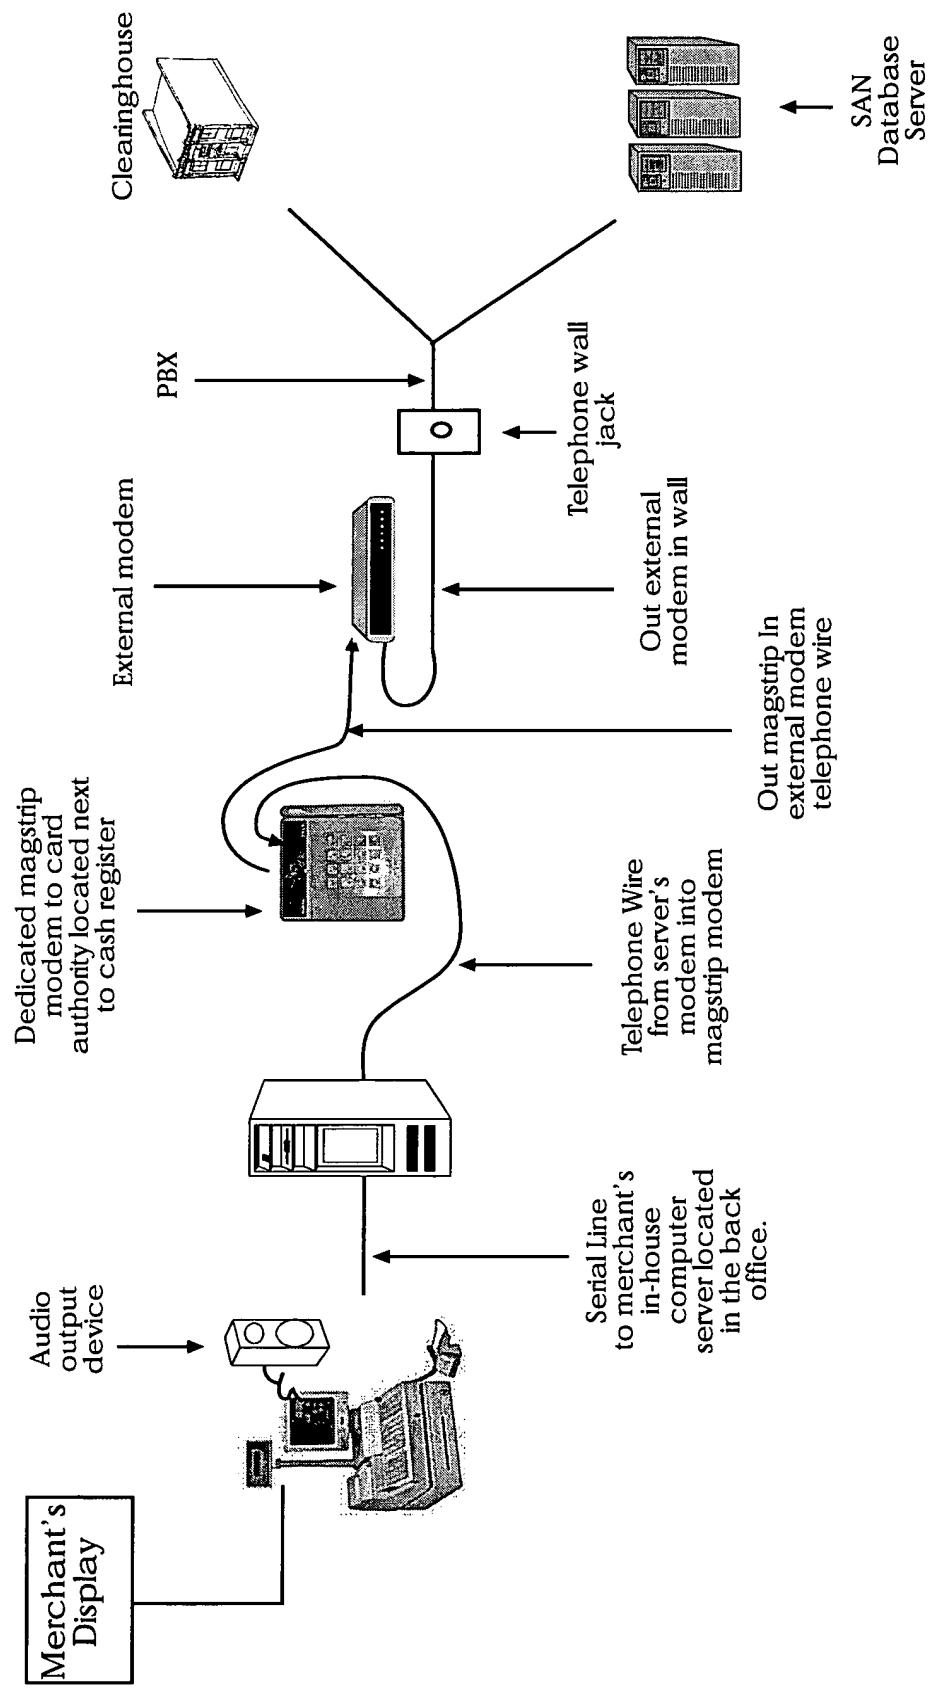

FIG. 5

Application Number 10/765,544 Confirmation No. 2318  
 System and Method for Customer Video Authentication to Prevent Identity Theft.  
 George Chester Cox, inventor 336.988.3544 January 27, 2004

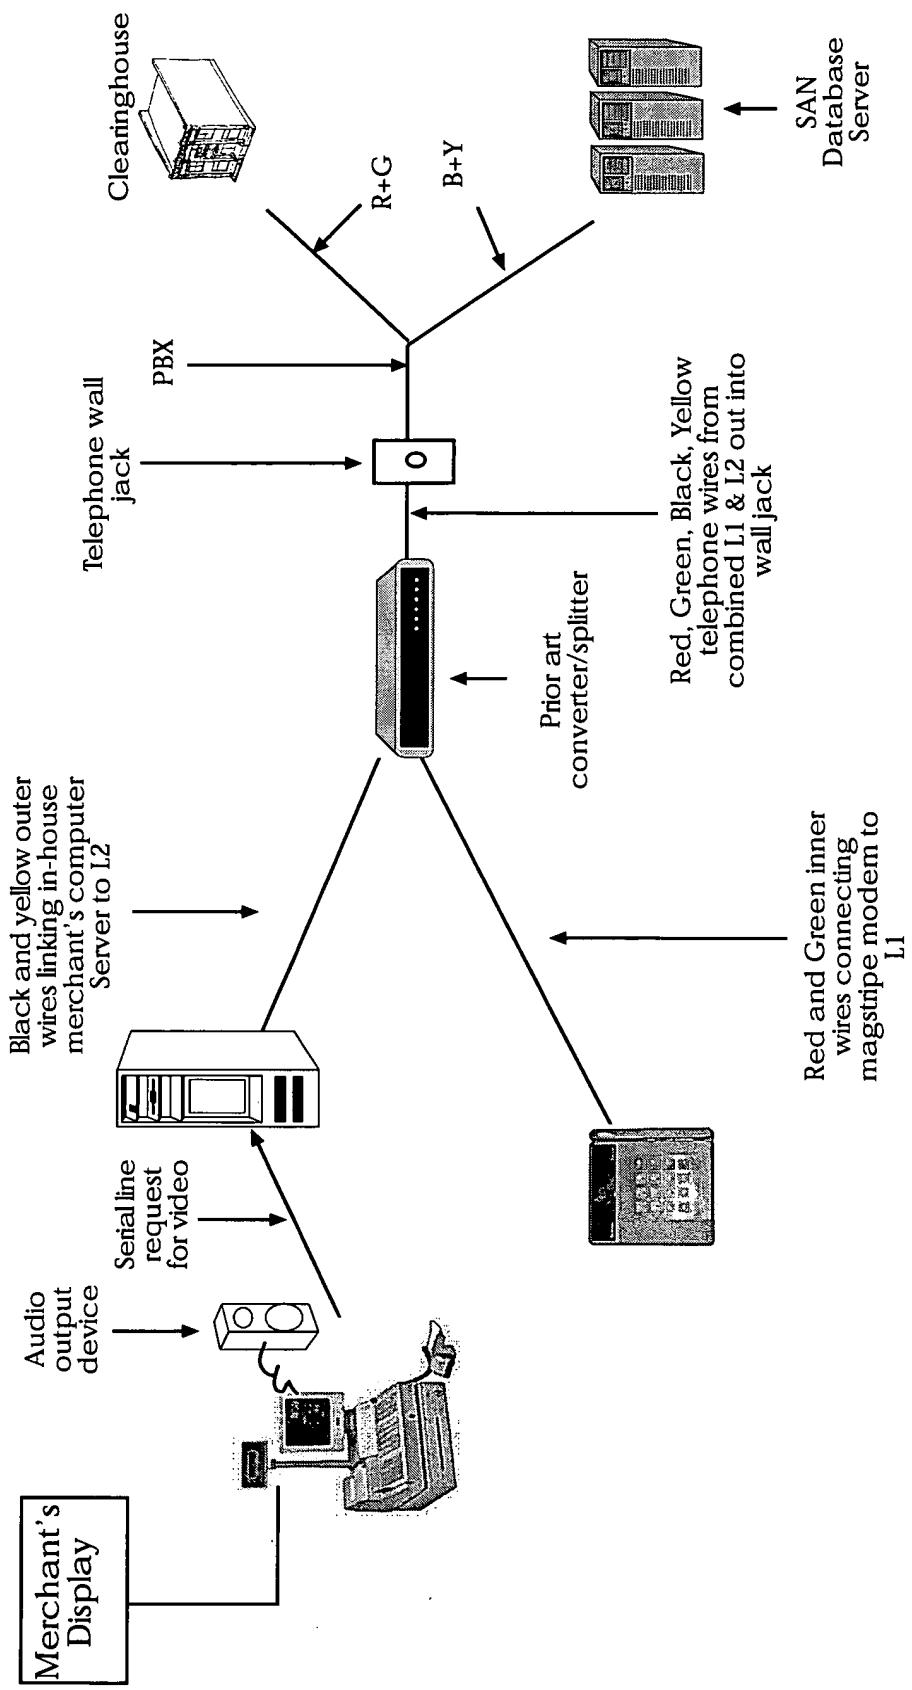

FIG. 6

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

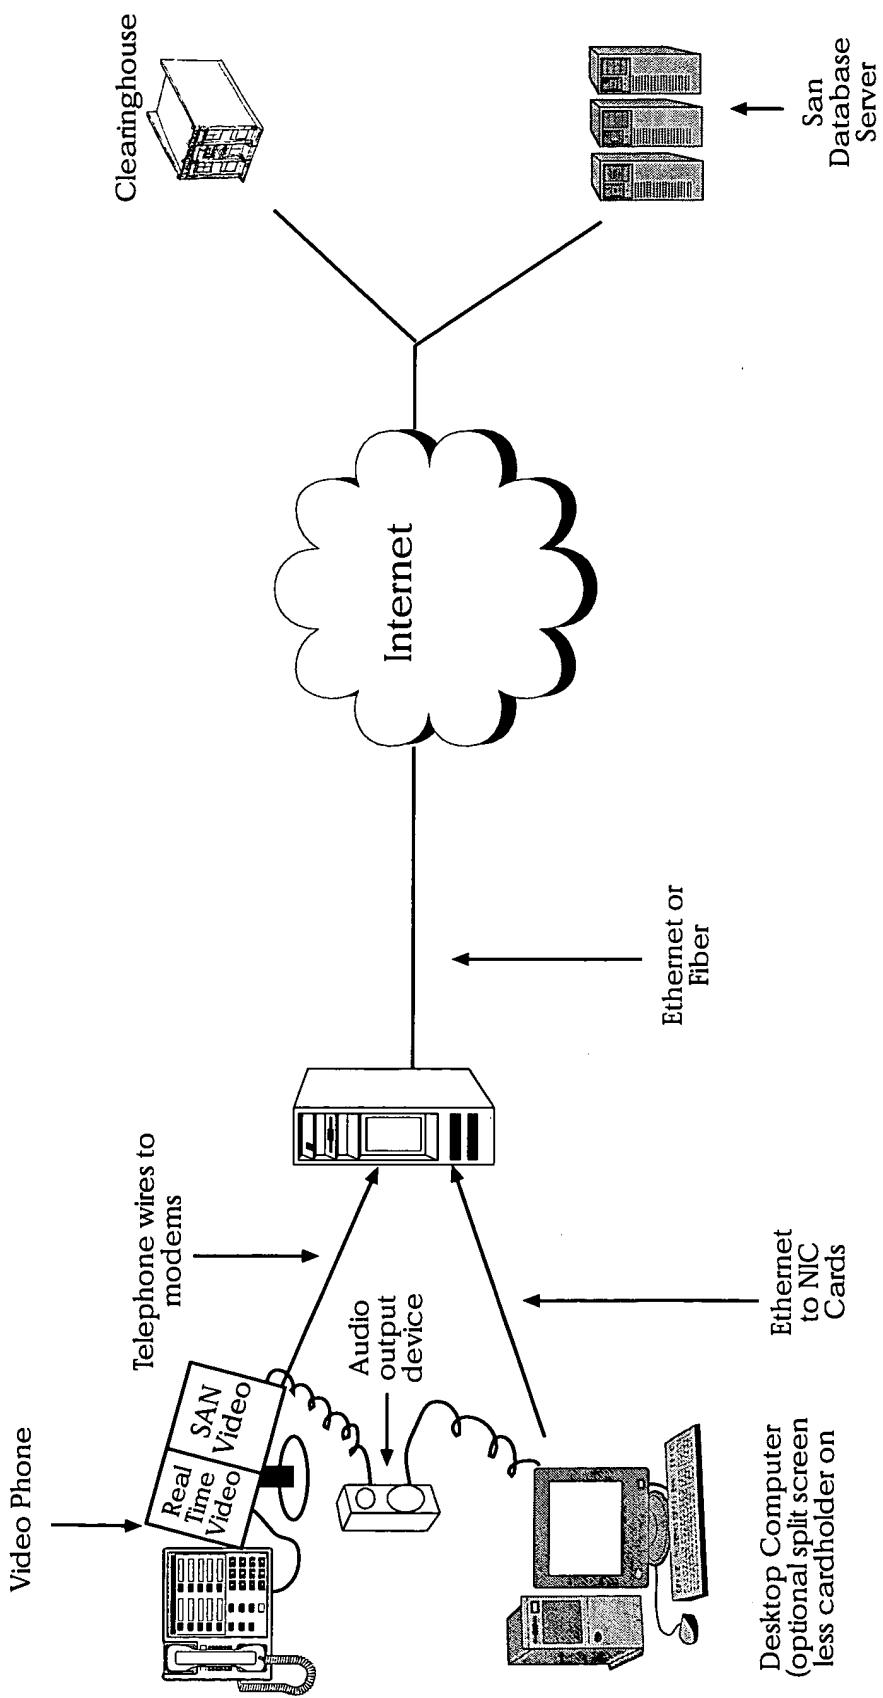

FIG. 7

Application Number 10/765,544 Confirmation No. 2318  
 System and Method for Customer Video Authentication to Prevent Identity Theft.  
 George Chester Cox, inventor 336.988.3544 January 27, 2004

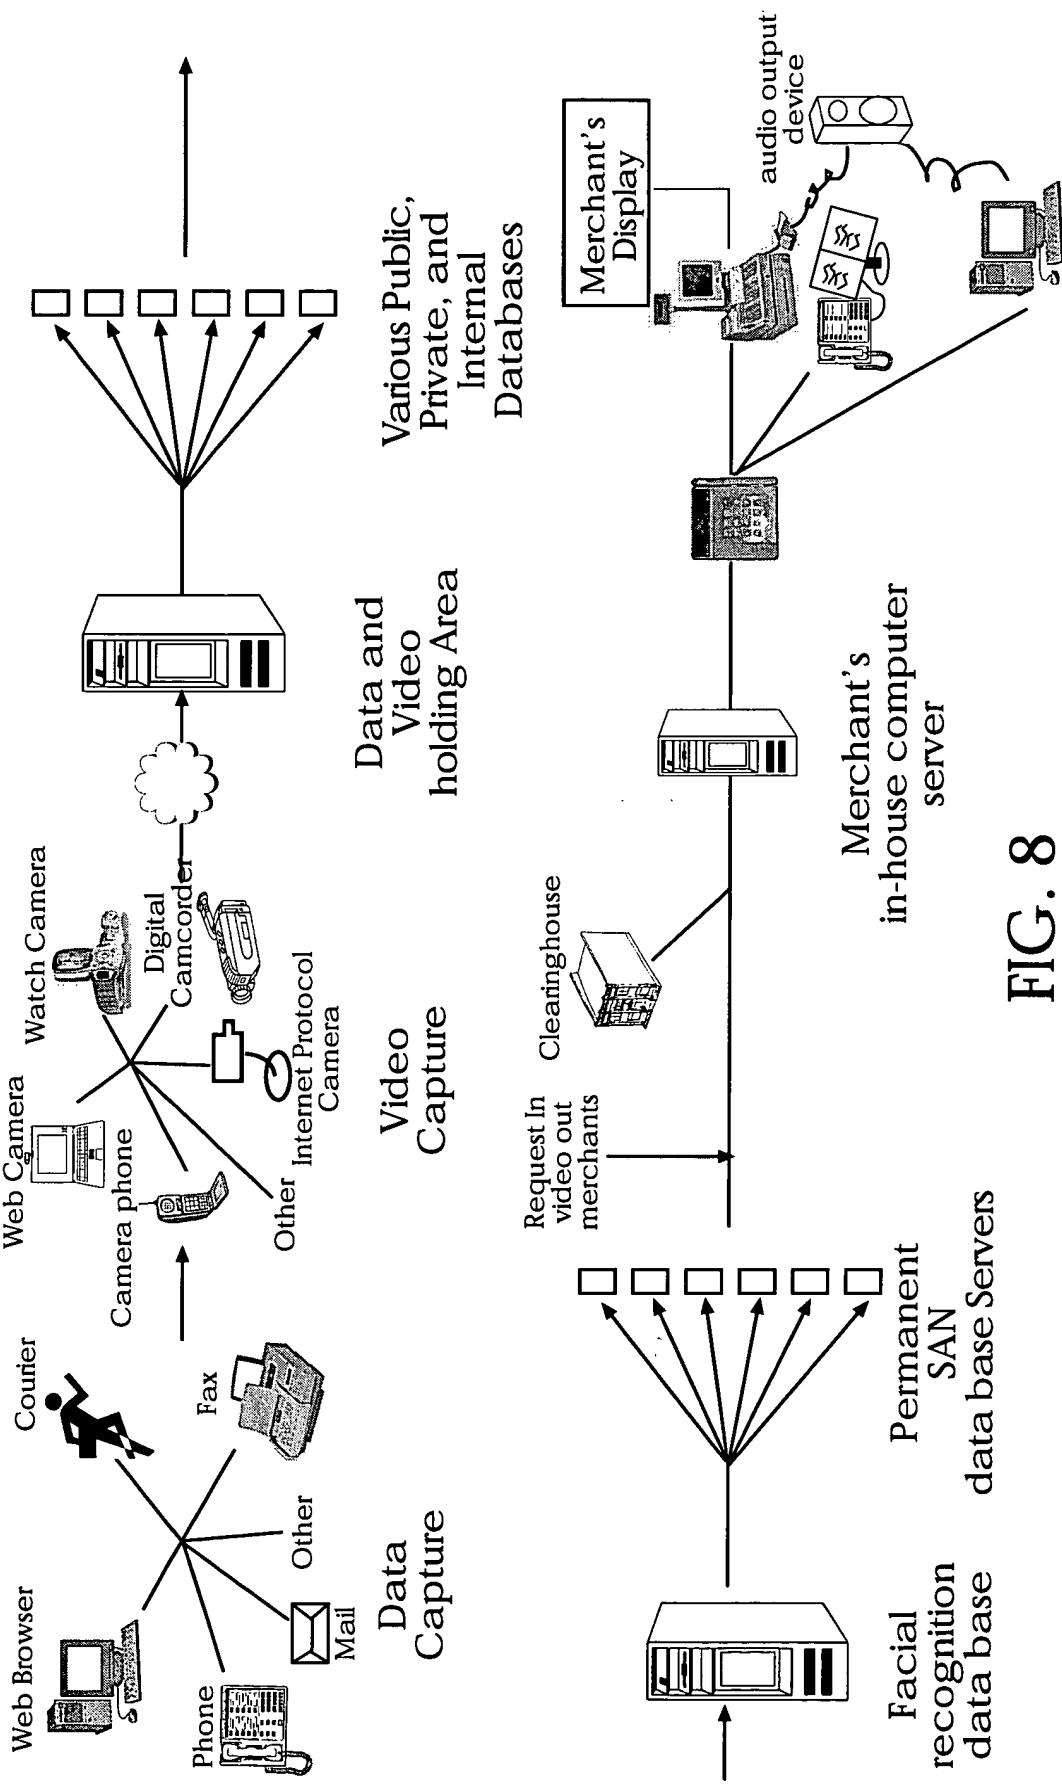

FIG. 8

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to  
Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

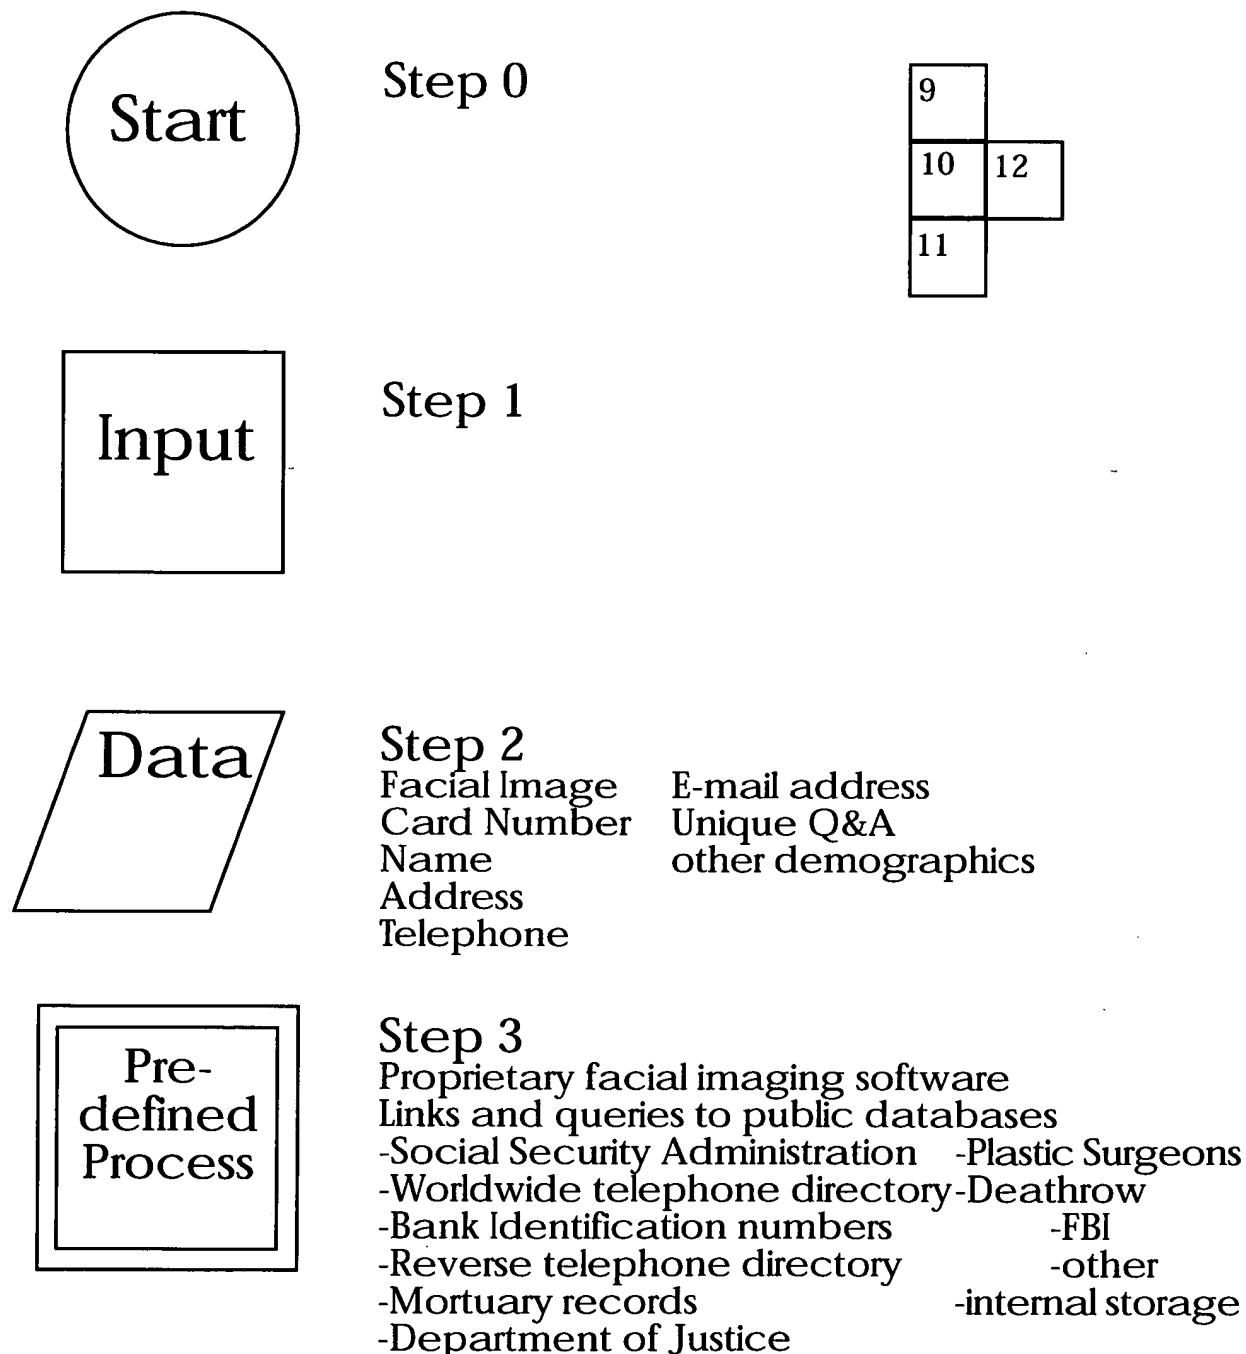

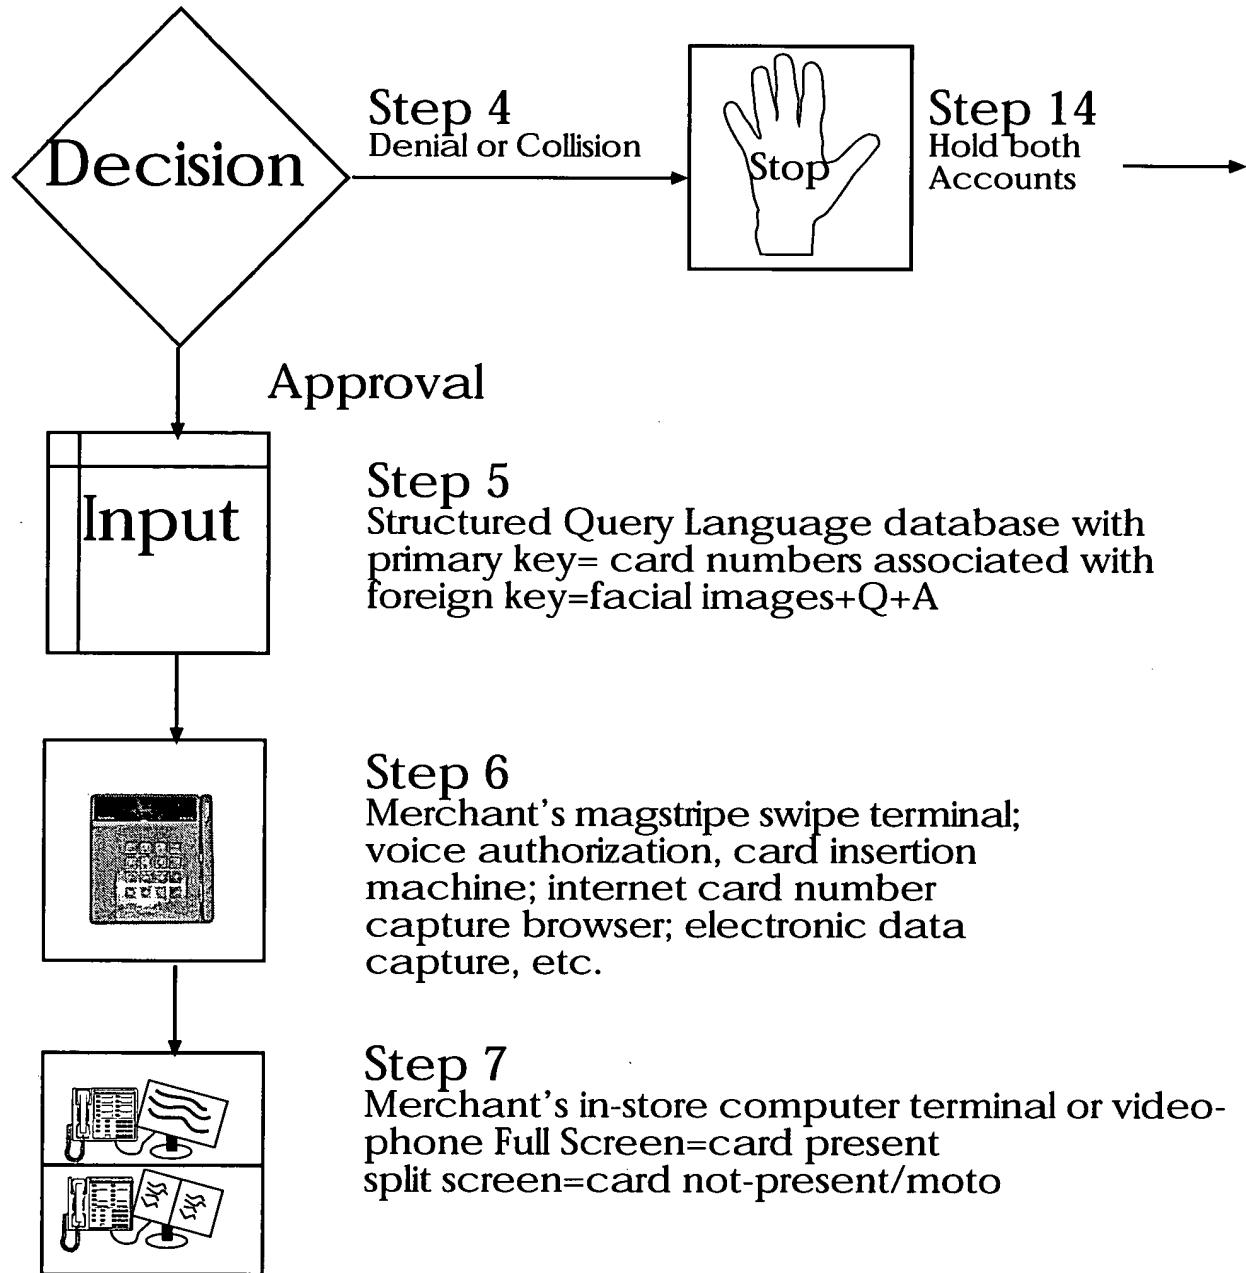

FIG. 9a

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to  
Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

**Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to  
Prevent Identity Theft.**

George Chester Cox, inventor 336.988.3544 January 27, 2004

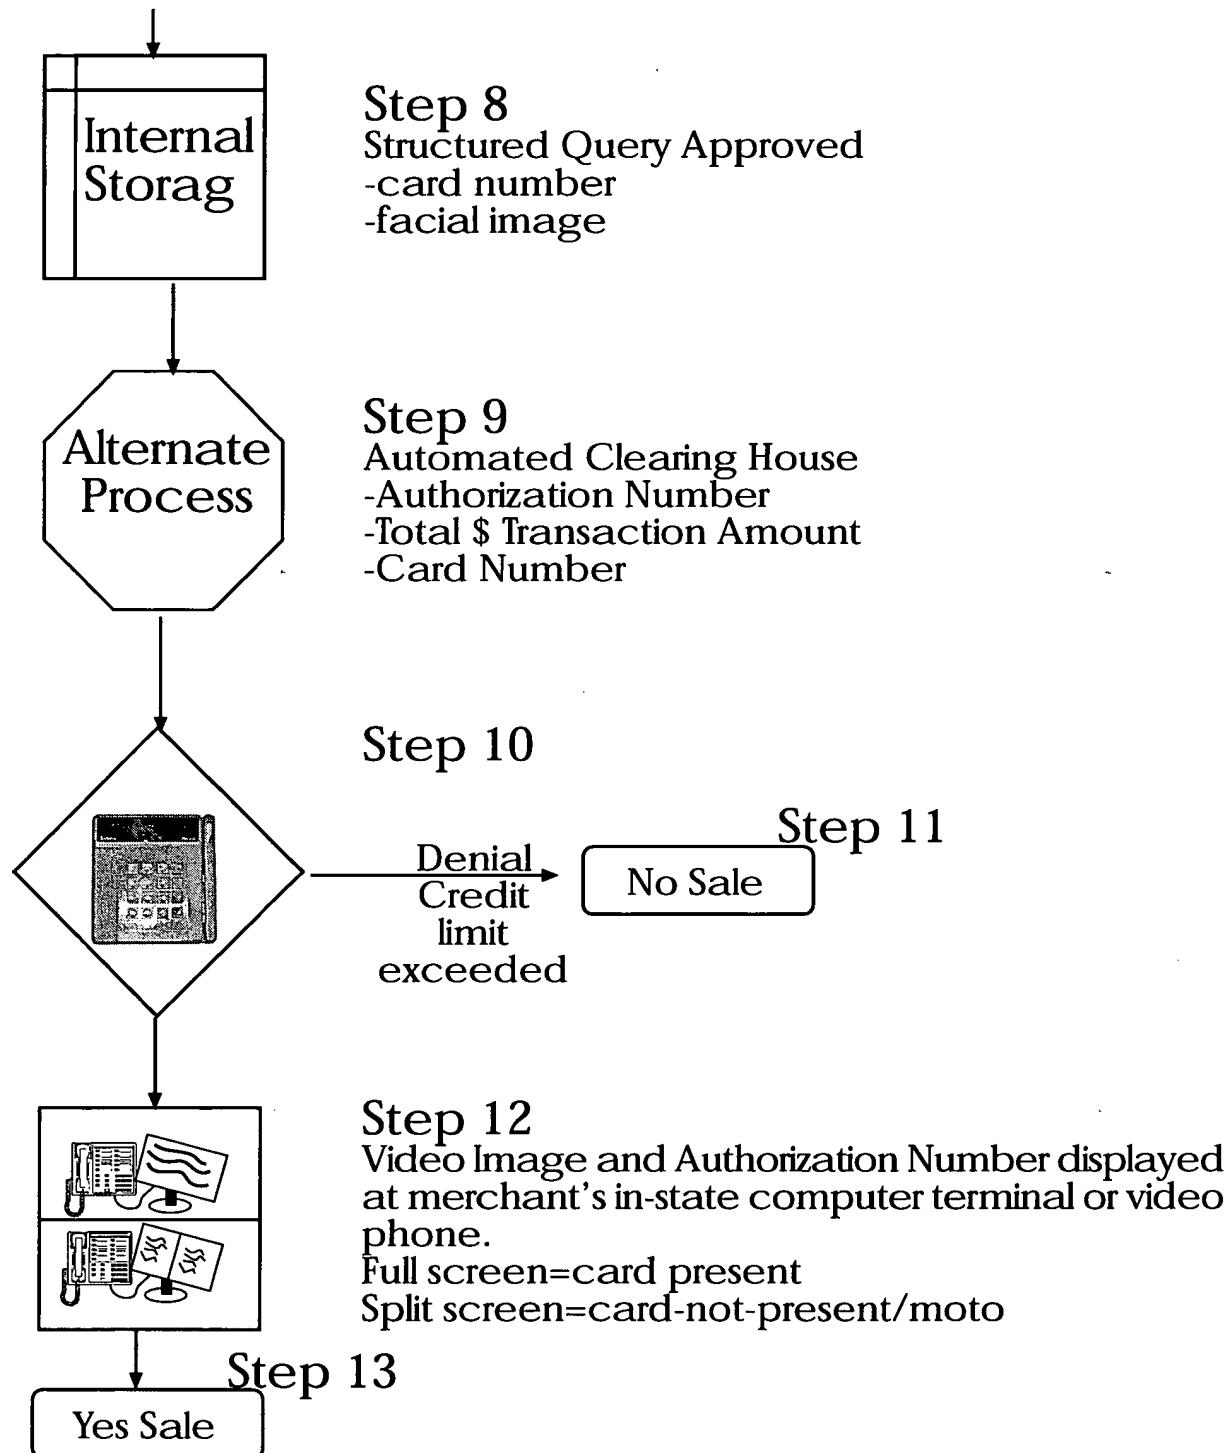

FIG. 9c

Application Number 10/765,544 Confirmation No. 2318  
System and Method for Customer Video Authentication to  
Prevent Identity Theft.  
George Chester Cox, inventor 336.988.3544 January 27, 2004

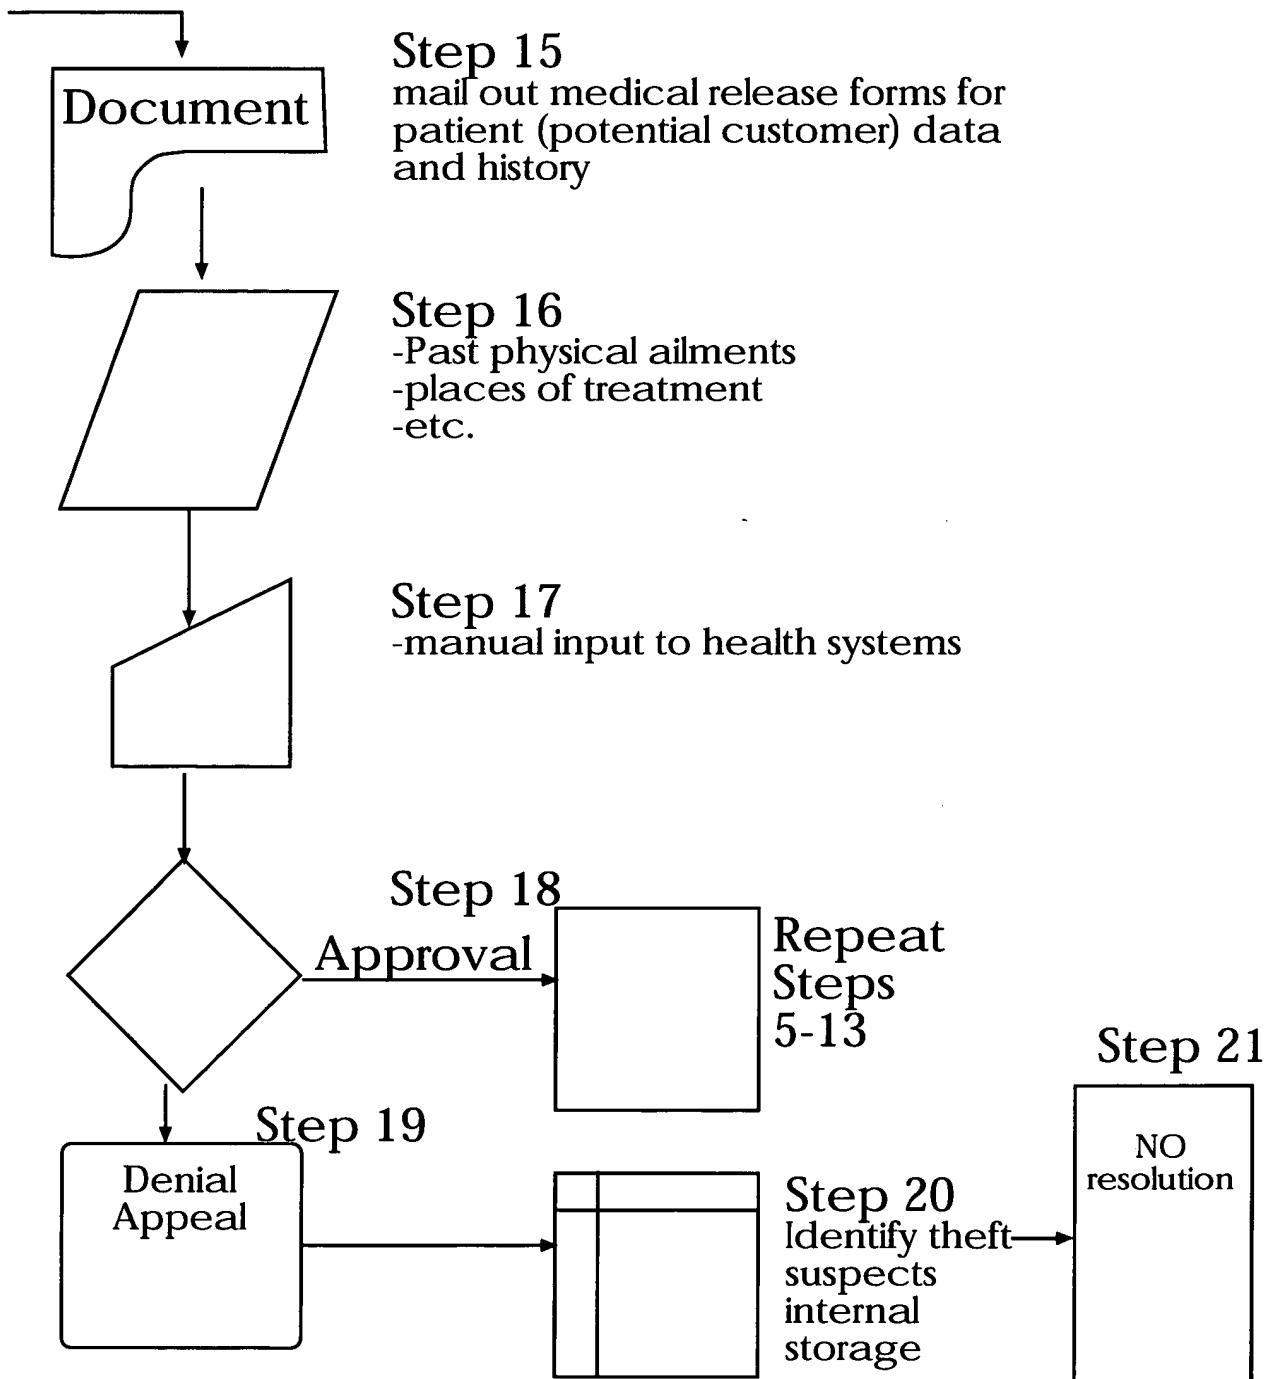

FIG. 9d
